

SOUTHERN ASSOCIATION OF DANCE MASTERS

We'd like to take this opportunity to thank you for supporting SADM—and to commend you for recognizing the important role that continuing dance education plays in a professional dance studio! As you renew your membership for another year, we'd like to remind you of all the tangible benefits you receive each year with your membership:

- Member discount rates to you and your students at all SADM Workshops.
- A DVD of all the wonderful choreography presented at the Workshop.
- The option to purchase a Book of Dance Notes from the Workshop—if you do not attend the Convention.
- Members and students of members may apply for scholarships that cover registration fees at the Summer Convention. Those pursuing a college degree in dance may apply for the Annual College Scholarship Award.
- Friendships developed with fellow dance teachers.

If you have any questions about membership, please feel free to contact me at 217-496-2725 or email info@sadm.org.

Be sure to visit our website often—www.sadm.org—for the latest SADM events and information.

Best Regards,

Kathy Kinner, Secretary
